Cost

Time

Any Mom, Aunt, Grandmother or other Mother figure is welcome to join their boys for this event!

What to Wear

White or neon to glow in the dark!

Kids should wear tennis shoes in lieu of rentals.

Teams will be made of 10-12 people on two lanes, typically boys will play on Lane A and moms on Lane B. If the ratio is more than 1:1, boys or moms will spill over onto the other lane within the pair.

To guarantee you are on a team with your friends, please form a team of at least 10 people, list the entire team on one sign up sheet and submit together (with money!) If you have fewer than 10 people, please still sign up together and we will do our best to place you on the same team. While this cannot be guaranteed, we will consider grade and teacher so we can try to get you with kids your child will know. We want this to be a super fun and memorable night for everyone!
